If you have multiple animals, which ones are closely bonded together and which could be adopted into separate homes?

-----  
 I understand that if my pet has painful/untreatable medical or behavioral problems, is extremely feeble or has severe anxiety it may be extremely difficult to find a willing caretaker and/or inhumane to make my pet endure the physical and psychological stress/trauma of transitioning to a new home. I do not object to humane euthanasia if it is in the best interest of my animal.
