SPOKANIMAL RECEIVES $75,000 GRANT FROM PETSMSART CHARITIES®
Funding Shelter Improvements Will Help More Pets Find Homes

Spokane, WA—Jan 30, 2023 – SpokAnimal has been awarded $75,000 from PetSmart Charities, enabling the shelter to make animal-care related facility improvements and ultimately find more pets homes throughout the Inland Northwest.

“For a long time, we’ve wanted to upgrade to energy-efficient, large capacity washers and dryers for all of the pet laundry we do. However, because our shelter is older, making improvements isn’t always straightforward,” Dori Peck, executive director for SpokAnimal, explained, “While the machines themselves are expensive, at our shelter, the project also requires us to widen doorways, upgrade electrics, run new gas lines and make plumbing improvements. The collective cost was way beyond our budget. Now, thanks to PetSmart Charities, we’ll be making the changes and getting the machines.”

Peck shared that new sterilizing dishwashers for pet dishes, an automated watering system for the dog kennels, energy-efficient lighting, and kennel noise abatement features are other improvements that also will rollout at the shelter in 2023 thanks to the PetSmart Charities’ funding.

“With more than five million pets entering shelters each year in the U.S., the goal of our adoption prep grant is to help shelters ensure as many adoptable pets as possible, find loving homes,” said Heidi Marston, director of Pet Placement Initiatives at PetSmart Charities. “SpokAnimal’s proposal illustrated how labor-saving changes related to animal care will increase their capacity to help more animals find people to love.”

For the past few years, SpokAnimal has achieved distinction as one of the top five adoption partners for PetSmart Charities in the nation and has become Eastern Washington’s largest humane society for pet adoptions.

About SpokAnimal
SpokAnimal was founded in 1983 and has become Eastern Washington’s largest and most cost-effectively operated humane society for pet adoptions. Last year, it found homes for 4,031 animals and, according to its 2021 tax filing, 78% of the organization’s income went directly towards programs that benefit shelter and public pets. Over 60 percent of the shelter’s intake was from owner-surrendered animals and transfers from the local municipal shelter, SCRAPS. The other portion of animals arrives through its vibrant transport program, which allows it to save pets from areas where overcrowding and euthanizing for space are still unfortunate realities. SpokAnimal’s foster program helps it care for fragile and vulnerable animals. Its vet clinic supports both shelter and public pets with spay/neuter services, microchips, vaccines and dentals. Ad hoc care for pets, such wound care, pregnancy complications, and digestive issues, is provided for public pets as staffing and finances allow. The Guardian Angel emergency boarding service and Pet Food Bank are other programs that support the local community. To further enhance animal welfare in the community, partnerships with organizations such as Catholic Charities of Eastern Washington, Sullivan Park Care Center, Spokane Meals on Wheels, Blessings Under the Bridge, Red Cross, Family Promise and Best Friends are core to SpokAnimal’s outreach.
